Optimize Qwickly Attendance with UEF Integration

A new launch point for Qwickly Attendance in Blackboard is now available. This launch point provides direct access for instructors to launch Qwickly Attendance, while a convenient check-in banner eliminates the need for students to launch the tool separately. This is accomplished using UEF (Ultra Extension Framework).

See Updated Launch Point Below:

Content Calendar Announcements	Discussions Gradebook	Messages Analytics	Groups	Student Preview
Course Content			۵	Course Faculty
Astronomy Worksheet 1 Visible to students * Due date: 11/7/24, 11:59 PM				Qwickly Instructor
